INSTEAD REVIEW VISIT

Many thanks to all the children, parents and staff who made our 3 visiting INSTEAD Reviewers feel so comfortable. Whilst they were exhausted at all the activities and conversations they were involved in, they were totally 'blown away' by the way in which parents engage in supporting their children's learning in Time to Think. Alongside this they were hugely impressed at the way in which children were able to engage in conversation about their learning and their school.

Special mention goes to: Ebonie Goacher, Summer Ross, Ashton Harry, Sam Deighton, Chloe-May Price and Joshua-Paul Price, who engaged in a 30 minutes discussion regarding how Haytor View consistently has such good levels of attendance. They did a great job!

The summary feedback included 'this school is very special,' and 'I've never been in a school where children and parents have such a sense of place'.

We will be using the outcomes to support the further development of our provision over the year, and will be putting regular updates on the newsletter.

We wanted the visitors to see the 'real' Haytor View, and wow what an amazing job you all did!

Thank you - Mrs Galling and Mr Hampton

ANTI-BULLYING WEEK – 14TH-18TH NOVEMBER

As a school we are once again taking part in Anti-Bullying Week which runs from 14-18th November. The theme this year is 'Power for Good' – we will be supporting children in understanding the ways in which they are powerful, encouraging them to use this to stop bullying and make the world a better place to live.

We will begin the week with an assembly which will focus on this theme and activities will be taking place in classrooms all week to support awareness of all types of bullying and what to do when faced with it. We'd invite you along to our assembly which will take place at 9.00am on Monday 14th November and get involved online – www.anti-bullyingalliance.org.uk

SCOOTER AND BIKE RIDING/PARKING

Mrs Galling would like to thank Mia Wallis and her Mum, as they explained there appears to be confusion over whether children push or ride their scooters and bikes up the path from Sandringham Road.

Please can children **push their bikes and scooters** from the Sandringham Road gate to the scooter/bike park, to help everyone stay safe. Thank you!
