MEDICAL INFORMATION FORMS

In September we review all medical information for children across the school and review any relevant care plans with parents.

Forms are being sent out to parents in Phases, it will really help us if you could return the forms swiftly as it will enable us to ensure the relevant information is held about your child in order to support their health, well-being and safety.

Once we have your information back, where necessary a meeting will be set up with you to complete a care plan for your child.

All of our forms have been reviewed this year using the most up to date information and guidance.

Many thanks for your help with this. K. Galling

Please may we remind parents that dinner money needs to be paid **on the morning your child requires a dinner, no later than 9.30am** – we are not able to supply a dinner to those who have not paid on time - thank you.

SCHOOL WEBSITE

Keep an eye on the school's website, it holds our most up to date newsletter and so much more – it can be found at:

www.haytorview.devon.sch.uk

It is readily accessible and easy to navigate whether on PC, tablet or phone and will be growing with us over the coming years. We hope that you enjoy taking a look around it.

IF YOUR CHILD IS UNWELL

If your child is unwell and absent from school, you must contact the school office to inform them. If you do not contact the school office the absence will be recorded as **unauthorised**.

The responsibility for ensuring the school is aware of the reasons for a child's absence rests with the parent. Thank you.
