SAINSBURY'S ACTIVE KIDS VOUCHERS

It's that time of year when we invite you to collect and share your Sainsbury's Active Kids Vouchers with us.

A collection box is being held on the desk at reception and we would welcome any contributions that you make. As you collect and give, we'll make sure that you know how many vouchers we have collected and the equipment that we are able to order as a result.

Thanks for collecting!

KEY STAGE 2 ORGANISATION

Many thanks to all of those children and parents who have managed the arrangements made due to Mrs Robson's on-going absence so well. We are pleased to say that the changes that we have put in place have enabled us to continue to be effective in our focus upon the learning, progress and well-being of all of the children in Key Stage 2. Your support and commitment to your children, coupled with that of the whole Key Stage 2 team is very welcome.

The current arrangements will remain in place for the coming two weeks leading up to the half term break. We will of course keep in touch with you about any further plans, as and when these become clear. In the meantime should you have any questions regarding arrangements please feel free to speak with Mr Hampton, Mr Hankin or your child's designated teacher in Year 3, Year 4/5 or Year 5/6.

SAFER INTERNET DAY - TUESDAY 7TH FEBRUARY

Throughout the country, Tuesday 7th February is being globally recognised as Safer Internet Day - a day when there is the opportunity to highlight positive uses of technology and to explore the role we all play in helping to create a better and safer online community.

Children's safety online is of paramount importance in our modern and fast moving world and we will be reminding children of this in a special assembly at 9.15am on Tuesday 7th February, which will be attended by all children from Year 1 to Year 6.

Parents are encouraged to join us for this assembly. We would also wish to remind you of the useful information available on our website concerning keeping your children safe online as well as copies of 'Digital Parenting' magazine, copies of which are always available for you to take home from the hub - help yourself!

WORLD BOOK DAY - THURSDAY 2ND MARCH

Plans are underway for World Book Day on Thursday 2nd March - a day when we will be celebrating our favourite books with our friends, parents and teachers.

We're arranging opportunities for favourite book sharing across the school as well as an assembly of celebration too. Watch this space for further news!

NEW SCHOOL WEBSITE

Keep an eye on the school's website, it holds all the information that is on our school newsletter – it can be found at: www.haytorview.devon.sch.uk

It is readily accessible and easy to navigate whether on PC, tablet or phone and will be growing with us over the coming years. We hope that you enjoy taking a look around it - all the important and extensive information from our previous site has been incorporated on it along with plenty of new features. Take a look and let us know what you think.
