#### **ICE POP SALE – THURSDAY 29<sup>TH</sup> JUNE**

The Coffee and Cake team are organising an **ice pop sale on Thursday 29th June at 3.15pm in the Courtyard.**

Bring your pennies for an after school treat!

#### **SAINSBURY'S ACTIVE KIDS VOUCHERS**

Mrs Cousins would like to thank all the children and parents/carers who collected the Sainsbury's Active Kids vouchers. We doubled last year's count and collected over 16,000 vouchers which has helped buy sports equipment for the school.

A special thanks needs to go to the children who helped to count up the vouchers, this extends to Sam Deighton in particular, who lead the almighty count! Thank you very much.

#### **PLEASE GET COLLECTING**

Mrs Golding is collecting **toilet roll tubes, kitchen roll tubes and old hats.** Please get collecting this week and bring any you have into school by Friday.

Many thanks.

#### **SPORTS DAY 2017**

As you will have seen from previous newsletters our Sports Day this year will take place on **Wednesday 12th July.** The events planned will take place on the school field at the times detailed below. All being well the sun will be shining, so it will be extra important that day to ensure that your child is wearing sun cream when they arrive at school and have a hat available to help keep them cool. Refreshments will be made available to children during the event to keep them hydrated.

Last year saw cream teas being served some of the parents who meet for coffee & cake each Tuesday - they are very busy organising the Summer Fete at the moment so if you feel that you can help with cream teas, the fete or any other events please let Mrs Louise know.

#### **Foundation Stage 2 & Key Stage 1 Sports Day - 9.50am - 11.30am**

#### **Key Stage 2 Sports Day - 1.15pm - 2.45pm**

A special sports event will take place on a different day for those children in Foundation 1 - Miss Butler will keep parents informed.

#### **POLITE REQUEST**

Please can we kindly ask that parents who stand by the Queensway gates at the beginning and the end of the school day, to take care not to deposit litter or cigarette ends close to the gardens of our neighbours. It appears that such litter is finding their way into gardens which is understandably causing some discomfort.

Your help is much appreciated. Thank you.

## **TAKING CARE AROUND LITTER**

Thank you to Mr Anderson who last week shared his experience of walking home from school with his children and coming across a large bag of discarded needles that had been left on a pathway used by many children and adults.

This has led us to consider and review our approach to supporting children's awareness around coming across such items. We would wish to make everyone aware of the ever-present danger that such littering presents to children. As parents we'd encourage you to talk to your children about this and if in any doubt about your children's safety change your arrangements for supervising your children, both on the journey to/from school and in your wider lives together.

## **OUR SUMMER FETE DRAWS CLOSER!**

Many thanks to everyone who is stepping forward to support our Summer Fete which is taking place on **Friday 14th July from 1.30pm**. We are still keen to hear from anyone who feels that they may like to help out in any way - it doesn't have to be for the whole fete but any help available would be gratefully received. Please speak to Mrs Louise if you think you may be able to help our Summer Fete be our best ever!

We are also on the lookout for items that could be sold at the Summer Fete. With so little space available for storage we'd be keen to receive these from Monday 10th July. Once again please pass these on to Mrs Louise who will do the rest!

## **SUMMER EXTRAVAGANZA – 'ON THE BEACH'**

As mentioned above, our theme for this year's Summer Extravaganza is 'On the Beach'. With this in mind Mrs Louise is launching an 'open craft competition' for children, working with adults if they'd like to get involved, **to create anything with anything**, with our theme in mind.

**The closing date for entries will be 13th July – the 14th July (Friday) will see us share and celebrate creations during our morning assembly.**

As usual please bring in your creations as soon as they are complete – they will go on display in the HUB in the build up to our big day.

## **PARENT QUESTIONNAIRES – HAVE YOUR RETURNED YOURS?**

Remember to return your parent questionnaire to be in with a chance of winning the **£50 Argos voucher**. The draw will take place in Celebration Assembly on **Friday 14th July**.

## **CELEBRATING SUCCESS**

As part of our Social and Emotional Aspects of Learning the whole school are thinking about 'SEAL – changes'. Our **Community Celebration on Friday at 9.00am** in the school hall will shine the spotlight on the following celebration of our **Core Offer**:

## **AMBASSADOR AWARDS**

Mr Barnes, who has been supporting learning in the Foundation Stage, would like to nominate Mason Bearne this week. Mason supported the children from the Foundation Stage and Year 1 playing football during their dinner time. He spotted that they were having difficulties and offered to referee their game. He did so in a way that supported the children in playing with each other fairly enabling all involved to have more fun together. Well done Mason - Thanks Mr Barnes!
