ANNUAL HAYTOR VIEW BAKE OFF 2020

Following the successes of previous events, the third Haytor View Bake Off will be taking place towards the end of this term. This is an invitation to children and parents, to work together and have fun in the kitchen. Whether it's biscuits, cakes, pastries or even breads, everyone is welcome to enter and may go for whatever bake takes your fancy.

You have plenty of time to make plans with entries needing to be in school by **9.00am on Thursday 26th March**. These will then be judged, then all entries sold in a cake sale taking place from 3.15-4.00pm.

Entries will be celebrated in assembly on Friday 27th March at 9.00am.

CAR PARKING ON SANDRINGHAM ROAD AND QUEENSWAY

Parking on local roads before and after school is a challenge with limited space available. Could we please appeal to everyone's sense of community and safety and ask that, whatever the circumstances, you **avoid parking on the yellow hatched/zigzag areas close to the school gates, parking in front of residents driveways, or within the coned off area alongside the Co-op**. Even if on stopping for a short while parking in these areas can make crossing the road or walking along paths treacherous for children and adults.

We want everyone to arrive in school safely each day - please play your part and help to keep all of our community safe on their walk to school by parking considerately.

GREEN TOKEN FUNDING - ASDA

We are very pleased to announce that Asda have accepted our request for the development of our Forest School area to be a nominated project in their 'Green Token competition' from January – March 2020!

What does that mean? It means you need to spread the word and getting all of your friends, family and others to make sure that they drop their Green Token into the Haytor View box every time that they go shopping at Asda, Newton Abbot. With the prospect of some great funding coming our way if we can be first or second when the tokens are totalled, we really need your help!

FOOD IN SCHOOL – OUR COMMITMENT TO HEALTHY EATING

We are committed to our duty of care for children in all regards, this includes healthy eating. We support children in making healthy choices both in their eating habits and towards exercise. We have developed an 'eating in school' statement, which follows national guidelines, to support the children's awareness of healthy eating as part of our Healthy Schools Policy.

Where children have particular food intolerances, we work with Parents and Carers to develop a Food Allergy Plan or where appropriate Health Care Plan, in order that the child's health and well-being are maintained and these are reviewed periodically.

As 2020 gets underway we are keen to make everyone aware of our provision and expectations in relation to eating in school – these focus upon snacks and lunches and are detailed below. Both snack and lunch provision meet nutritional standards put in place and upheld by our school caterer ISS.

In addition to the details below children are *only expected to drink water to stay hydrated in classrooms*. At meal times a wider range of drinks may be included in packed lunches. We would ask that parents talk to teachers where these arrangements present a challenge.

Morning Snack/Break time

Foundation Stage - 1 piece of fruit or vegetables to be provided by school or by home where the child has specific fruit or vegetable preference which cannot be met by school. In discussion with school staff, parents are able to provide the children with an additional piece of fruit; vegetables; crackers; breadsticks.

Key Stage One - 1 piece of fruit or vegetables to be provided by school or by home where the child has specific fruit or vegetable preference which cannot be met by school.

Key Stage Two - 1 piece of fruit or vegetables to be provided by home or purchased at school. Alternatively children can have: breadsticks; crackers; toast; crumpets; malt loaf, to be provided by home or purchased at school. In order to support healthy and balanced approach to daily nutrition, children are not permitted to take alternative items from their packed lunch box for break time.

Lunch provision

We encourage parents to consider a balance of foods when providing packed lunches. Food groups such as: dairy; meat, fish or other non-dairy protein; fruit and/or vegetables should be considered.

Fizzy drinks and chocolate are not considered appropriate for children to consume during the school day, so these should not be included in children's packed lunches.

We are grateful that parents refrain from providing children with allergenic food stuffs, particularly nuts as part of lunch arrangements. We do not guarantee a completely allergy free environment, preferring to seek to minimize risk of exposure, encourage self-responsibility and plan for effective response to possible emergencies.

If you have any queries regarding your child and their 'food in school' arrangements, please speak with your child's class teacher who will be happy to speak with you at a mutually convenient time.
