MORNING ROUTINES

In order to support working arrangements within the school ahead of the site opening each morning, gates into the courtyard and from Sandringham Road will now **not be opened before 8.25am**. For those early risers among you this may mean a slight change in routine so that you do not find yourselves waiting at the school gates.

Many thanks for your support with this.

AUTUMN HAS ARRIVED!

Please can we politely remind parents of our Safeguarding arrangements while after school clubs are being held.

Unfortunately we cannot provide the opportunity for parents to wait inside the building while children are attending clubs - this means parents and carers are asked to wait outside of the building. Please keep this in mind when you are coming to collect your children, as we don't want you to have to wait too long in the cold or wet.

There is the opportunity for you to wait in the courtyard under the walkway canopy which will provide you with cover when conditions are wet.

We guarantee that clubs never finish earlier than the planned time, so please do not be concerned that your child will be let go before you arrive to collect them. Many thanks your help with this matter – it enables us to ensure that the school is a safe environment for all children.

PLAYLEADERS 2019 ARE GO!

Every year our team of playleaders bring so much to time spent on the playground and this year they're going to bring even more! Mrs Louise is developing a fantastic team of Year 5 children for 2019-20. They are all attending an after school club where they have been receiving training and support in leading large group outdoor games, games with no equipment, hall games and wet weather ideas. Over the coming weeks and months together they will also be exploring recycled art and craft, first aid and cooking as well as discussing playleader successes and challenges faced.

We will be celebrating this developing team by presenting them with their playleader jackets in Celebration Assembly this Friday - do come and join us!
