### **AN INTERACTIVE FAMILY SHOW - COMING TO HAYTOR VIEW – MONDAY 4TH NOVEMBER 4.30PM**

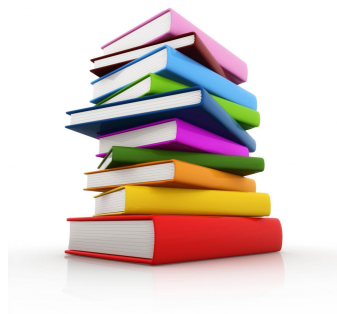

We are really pleased to be providing our school hall to host this very highly regarded show being presented by **Paddleboat Theatre Company**. 'Claire Hollingworth and the Scoop of the Century' tells the story of fearless journalist Claire Hollingworth and you can expect an interactive show that is bursting with storytelling and songs. What's more **it's free of charge**, having been organised, led and fully funded by Newton Abbot Community Interest Company - all you need to do is turn up and enjoy yourselves. Adults and children from across the community are welcome to the event which is open to all, not just Haytor View children and families, so bring your friends! With a recommended minimum age of 4 years old, it sounds like it will be a whole lot of fun!

### **USE OF CAR PARK REMINDER**

Please can we remind parents that the use of the car park is **not permitted at drop off and pick up times (including lunchtimes for Nursery children)**, due to the conflict between pedestrian access and vehicles.

Thank you for helping us keep your children safe.

## **PLAYLEADER BOOK SALE**

As part of our playleader project this year the team are keen to raise some funds to enable them to buy some indoor games for them to use with children during lunchtimes. With this in mind they have hatched a plan to hold a book sale which will be **taking place at 3.15pm on Tuesday 5th November**. They would welcome donations of books in good condition to support the sale. These could be children's books, adult books, fiction or non-fiction and should be given to learning leaders or Mrs Louise.

The team would also love to see you on the afternoon of their sale - make a note in your diary!

## **HARVEST THANKS!**

With over 200 items collected as part of our Harvest celebrations before half term, we were able to again astound the team at THAT Foodbank who took delivery of each and every item donated on Thursday 17th October. Thank you for your generosity and consideration. Our table of food was one of the many highlights of our Harvest celebration which was this year spear-headed by Year 5, Miss Shopland and Fr. Nick who spent some time with the class (as did representatives from the Foodbank) over the first half of the Autumn Term. Thank-you all once again!

## **TIKTOK - EVERYTHING YOU NEED TO KNOW!**

More than 500 million people around the world - many of them children - regularly use the app TikTok to create, view and share 60 second videos. The app can be a great tool for self-expression and connect users around the world, so it's important that children and parents are aware of the potential risks and learn how to use it in a safe way.

Check out the 'Keeping Children Safe Online' page on our website to access a TikTok Parent Guide produced by Parentzone - it's a relevant and simple way to make sure you know what you need to about using TikTok safely. **[www.haytorview.devon.sch.uk](http://www.haytorview.devon.sch.uk)**
