

Name: _____

The man, if that's what he was, was deathly white, almost transparent. His stringy yellow hair hung limply down to his chin and a pair of pale-grey eyes stared out of their dark sockets. His short figure was swathed in a rough brown robe, his dirty, veiny hands jutting from the sleeves.

Draw and label a picture of Charon using the description in the text, then add a description in your own words. Ensure you use plenty of descriptive language.
