**Year 3 and 4/5 Class Trip - Cockington Country Park**

Monday 27th March 2017

Dear parent/carer,

Our recent learning across different subjects has included: 'Chocolate', 'solid, liquids and gasses', 'teeth and the digestive system' and the 'Maya civilisation' - who were the first to discover chocolate! In geography we are currently learning where the cocoa bean grows and how Fairtrade works and in design technology we are producing and making our own chocolate creations.

To support our learning, we are arranging a class trip to Cockington Country Park on Thursday 27th April. The children will further develop their knowledge of solid, liquids and gases by visiting 'Our Glass' and learning about how glass is made. We will also be visiting the 'Cockington Chocolate Company' and watching how chocolate is made, as well as taking a woodland walk around the park.

Our class will travel to and from Cocking Country Park in school time by coach and will be accompanied by Mrs Cousins, Miss Shopland, Mr Whitlock, Mrs Dray and Miss Wicks. As we do not know what the weather will be like, your child will need to wear their school t-shirt, jumper, comfortable walking trousers and shoes and will need to bring a coat, a snack, a packed lunch and a drink (If your child receives a free school meal, a packed lunch will be provided).

For the trip to take place, we are seeking a payment of £3.00 per child which will go towards covering the cost of the transport. Unfortunately if insufficient payments are made, the trip will need to be cancelled and refunds of course will be repaid to those parents who made the payment as requested.

Please sign the attached reply slip and return it to me to confirm your willingness to allow your child to attend along with the £3 payment for the trip.

Many thanks in advance,

Yours faithfully,

Abi Shopland  
Year 3 Learning Leader

Michaela Cousins  
Year 4/5 Learning Leader
