Decoy Park Science Field Trip

Thursday 22nd June

Dear Parent/Carer,

We are going on a class trip to Decoy Park on **Monday 17th July**. The trip will provide an opportunity for your child to take part in a Science field trip where we investigate the various species of plants and animals that exist in that environment from a classification perspective: which plants and animals have characteristics in common and how do we classify them? We will be guided around the park to find different species by the park ranger.

It's a free trip that takes place within school hours - all the children will need is **appropriate clothing** (including wellies and old clothes) and a **packed lunch** (if your child is in receipt of free school meals, one will be ordered for them.) We will return to school after eating our lunch in the park and we will stay in the same clothes for the afternoon. If you would like your child to buy an ice cream in the park after we have finished our lunch, please allow them to bring a maximum of £2.

We need a permission slip to be returned in order for your child to be able to enjoy the trip. Please complete below and return it to me.

Many thanks in advance,

Yours faithfully,

Graeme Hankin
Key Stage Two Phase Leader

I give my permission for my child to take part in the Decoy Park field trip on Monday 17th July.

My child's name.....

My name..... Signed

Are there any reasons why your child may not be able to take part in any of the activities? Eg recent illness / injury etc?

No – they will be able to take part (please tick as appropriate)

Yes – they have had a recent illness / injury Please give more details on the back of this letter.
