17th March 2017

Dear Parent,

Easter Craft Afternoon – Thursday 30th March 2017

Years 1-6 – 1.30pm – 3.00pm

Foundation Stage – 2.00pm – 3.00pm

Craft afternoons are very much a part of Haytor View now, taking place towards the end of each term. These afternoons are the ideal time to spend some time with your child in class, taking part in activities planned and organised by their teacher and supported by the class team.

Our Easter Craft Afternoon will take place **on Thursday 30th March**. Please note that the session in the Foundation Stage is now shorter than across the rest of the school to provide them with a session that they can most effectively engage with. During the course of the afternoon, at whatever time suits you within the sessions at the top of the page, you are invited to join classes by entering the school through the main Queensway entrance – using this entrance will support us in maintaining our awareness of parents arriving and leaving.

If you have a number of children you are invited to join all of them during the course of the afternoon and, after making appropriate teachers aware, you are welcome to take your child to visit and share activities with their siblings so that you can have fun all together as a family – activities will be set up to make this an enjoyable experience whether visiting 'older' or 'younger' classrooms. We would ask that you do not engage children from the Foundation Stage until 2.00pm.

We look forward to the vibrant, fun and enthusiastic atmosphere that these afternoons create. Feel free to speak to your child's learning leader if you require any further details about arrangements or how the afternoon can fit for you and your family.

Yours sincerely,

Scott Hampton

Leader of Learning and Development
