School Closure - Arrangements for the provision of lunches to those who qualify for Free School Meals - UPDATE

Dear Parents/Carers,

Following letters last week you will know that we are providing packed lunches for those children who qualify for free school meals and request them from us. What's more we're now delivering them to you, daily!

In spite of this offer we are aware that there are many qualifying families out there who have not requested packed lunches from us.

- Does your child receive free school meals at school?
- Would you like a packed lunch delivered to your door?

Unfortunately those children qualifying for free school meals simply due to their age (ie. Universal Free School Meals for children in Key Stage 1 and the Foundation Stage) do not qualify for this service. If however you qualify for free school meals due to your personal circumstances you do!

If you qualify and want to have a free packed lunch for your child delivered to your door from Wednesday, just provide your child's name, and your choice of filling from the list below and send it to us via School Gateway, email admin@haytorview.devon.sch.uk. or give us a call before 1.30pm today. We'll do the rest!

- Egg Mayonnaise
 - Ham
 - Cheese

Yours sincerely

Katy Galling
