9th June 2017

To the Parents of Children in Key Stage 2,

Following my recent letter, I am writing to update you regarding staffing arrangements in Key Stage 2 for the remainder of the Summer Term.

Following Mrs Robson's recent visits to school, she has decided that she no longer sees her future as part of Haytor View and has resigned from her post as Year 3 and 4 Team Leader. Mrs Robson will not be returning to school for the remainder of the school year.

With this in mind, and in view of the positive progress being seen from children throughout the phase, the current arrangements put in place to support the continuation of learning and progress of the children, will continue for the rest of the term. This will see that the teacher your child is currently learning with, will remain their class teacher for the rest of the June and July.

We are grateful to our Key Stage 2 practitioners for the hard work, commitment and passion they have demonstrated in ensuring each child is provided for during Mrs Robson's absence, and now during the final half term of the year. We are pleased that providing consistency and continuity of school based staff known to our children, has ensured that they have continued to make progress, meet targets and have their learning needs met.

We are also appreciative of the support demonstrated by parents during the course of this year, as we recognise that such unexpected changes are always difficult to manage and accept.

We are now in the process of reviewing our staffing arrangements for September 2017, and will update parents in due course.

If you need any further information, please do not hesitate to contact me.

Yours sincerely

Katy Galling - Head of Learning and Development
