

### **IMPORTANT MESSAGE CONCERNING THE SAFETY OF YOUR CHILD**

As we come to the end of Road Safety Week 2019 we would ask all parents to remain considerate and vigilant when both parking and travelling, close to school and beyond. Following recent 'close calls' further concerns are being raised around the use of parking areas near to the Co-op and the risks that these are creating for your children particularly at the start and end of the school day.

**PLEASE KEEP CHILDREN AND YOURSELVES SAFE BY PARKING CONSIDERATELY AND BEING AWARE OF DANGERS PRESENTED BY CARS AT ALL TIMES.**
