**Sandringham Park Bulb-planting – the return!**

Monday 6<sup>th</sup> March 2017

Dear Parent/Carer,

We are going on another class trip to Sandringham Park on **Thursday 30<sup>th</sup> March**. Teignbridge Council have invited us back to learn a little more about our local environment through trying out more activities, including admiring the bulbs our Year 6 children planted in November to brighten up our local park. It's a free trip and all the children will need is appropriate clothing, including wellies and old clothes suitable for gardening (with waterproof trousers if possible). We will return to school ready for lunch and stay in the same clothes for the afternoon.

Please feel free to come along with us – the more the merrier! If you or any relatives or neighbours/friends would like to join us, please let me know roughly how many people will be coming, on the attached slip. What a great opportunity for us all to get together and enjoy our local community! We need a permission slip to be returned in order for your child to be able to enjoy the trip. Please complete below and return it to me.

Many thanks in advance,

Yours faithfully,

Graeme Hankin  
Key Stage Two Phase Leader
