

22nd November 2019

Dear Parent/Carer,

**Whole School Visit from the Space Odyssey Explorer Dome
Thursday 9th January 2020**

Following the successful visit from the Space Odyssey Explorer Dome last January we are again planning another one of these dramatic experiences for all children in Years 1 to 6. Last year saw children and teachers engaged with a 'breath-takingly immersive and interactive learning experience' when the 360° 3D cinema came to visit.

As was the case last year, each class group involved will receive a different presentation that will support and underpin their particular curriculum focus for the first Spring half term.

This enrichment experience is a costed activity and as such we will need to cover the costs relating to this experience through voluntary payments from parents. On this occasion we are seeking a payment of £2.95 for each child. **This payment can be made immediately using School Gateway, or in cash, and must be made by Friday 13th December to secure the school's booking of the visit.**

Should we fail to receive sufficient payment to cover the cost of the experience we will make arrangements to cancel the event and return any payments that have been made.

A reply slip sharing the details of the event will be shared with you in paper form over the coming days so that you can formally provide us with your consent for your child to attend, along with details of your preferred payment method.

If you have any questions or comments about this experience, please do not hesitate to contact your child's phase leader who will be happy to talk with you. Should you have any questions or queries about making payments via School Gateway please speak with our Administration Team either by telephone or in person by popping into the hub.

Yours sincerely,

Iain Franklin Key Stage 1 Phase Leader
Graeme Hankin Key Stage 2 Phase Leader
