2nd December 2019

Dear Parent,

Autumn Term School Questionnaire - A Quick Chance to Win a £50 Argos voucher!

Coming your way, in paper form, shortly will be your opportunity to enter the termly draw linked to the return of parent questionnaires. We are now regularly receiving over 100 responses, for which we are always grateful, and are still finding winners of the £50 Argos voucher that is on offer each term. Time is tight for this questionnaire with only a couple of weeks until the draw date, so as soon as you receive it, complete it and return it to us. Not only will this give you a chance to win £50 but it provides an opportunity to share your perspective on the service that the school provides to your family. We remain as keen as ever no one misses out on their prize so there is still a **space to put your name on the questionnaire** if you wish to use it – this will **guarantee you the prize** if you're the lucky winner at the end of this term.

The focus of this term's questionnaire is 'Support & Guidance', your responses are really valuable to us in shaping and developing the school and considering the service that we provide. We will be working hard to make sure that this one gets as many responses as possible and with this in mind we hope that you will find the couple of minutes to share your thoughts and get the questionnaire back to us in time for the draw. We will also be enlisting the support of Year 6 children who you may find coming to you with questionnaires to complete at the morning drop-off.

We look forward to receiving all of your completed questionnaires and completing the draw during our final assembly of the term on **Thursday 19th December**. We hope to contact the winner on the day and pass their prize to them. As always, if you would like to talk in more depth about any of the areas raised in the questionnaire, please feel free to pop in and make arrangements for a chat, or make a note of your comments along with your name at the bottom of the questionnaire.

Yours faithfully,

S. Hampton
Leader of Learning and Development
