Home Learning Club Invitation**

Dear Parent/Carer,

Following a fantastic start to the new school year, our Year 5 children have decided they would like to start accessing home learning activities. To support the home learning your child can access, we run a Home Learning Club for each year group (starting the week commencing 30th September 2019). These are a real success and will help your child access the learning opportunities on offer.

Your child has expressed an interest in joining our home learning club so I am writing to invite them along. The club takes place each **Thursday after school until 4:15 pm** in our Year 5 classroom. It will be a great opportunity for your child to complete some of the home learning that they are given each week. If there are parts of an activity that they are unsure of, I will be on hand to help them understand the concept more fully.

If you are willing to allow them to take part, please complete the attached reply slip and return it to me, stating the way in which you would wish for them to get home afterwards.

Thanks for your continued support.

Yours sincerely,

Abi Shopland
Year 5 learning leader

I give permission for my child,, to attend home learning club on **Thursdays after school until 4:15pm.**
