21st November 2016

Dear Parent,

Christmas Craft Afternoon – Thursday 15th December 2016

Following the success of our craft afternoons last year we are keen to have as part of our Christmas celebrations which will begin with our pantomime on 1st December and our Christmas Jumper Day, Fayre and Disco on 2nd December. These afternoons are the ideal time to spend some time with your child in class, taking part in activities planned and organised by their teacher and supported by the class team.

Our Christmas Craft Afternoon will take place **between 1.30pm and 3.00pm on Thursday 15th December**. You are invited to join classes by entering the school through the main entrance and hub at any time during this period – using this entrance will support us in maintaining our awareness of parents arriving and leaving.

If you have a number of children you are invited to join all of them during the course of the afternoon and, after making appropriate teachers aware, you are welcome to take your child to visit and share activities with their siblings so that you can have fun all together as a family – activities will be set up to make this an enjoyable experience whether visiting 'older or younger' classrooms.

We look forward to the vibrant, fun and enthusiastic atmosphere that these afternoons create. Feel free to speak to your child's learning leader if you require any further details about arrangements or how the afternoon can fit for you and your family.

Yours sincerely,

Scott Hampton
Leader of Learning and Development
