### **FAREWELL MRS LOUISE - CELEBRATION ASSEMBLY - WEDNESDAY 19<sup>TH</sup> OCTOBER**

After 25 years of being associated with the school most recently known as Haytor View, Mrs Louise has made the decision to start a new chapter in her life that sees her moving on from being a cornerstone of school life here. Generations of children, and adults indeed, have benefitted from Mrs Louise's commitment, care and kindness towards the community that she lives within. No one has epitomised the Haytor View school community more than Mrs Louise and she will be very much missed by us all. We hope she has many years of being greeted in the street by children and adults connected with the school - as a reminder of all the gratitude felt by those who benefitted from her presence. We know that those greetings will always be appreciated!

**Do come along to our celebration assembly next Wednesday 19<sup>th</sup> October at 9am when we will be sharing our fond farewell, as well as hearing from teachers about what they have been pleased to notice about their classes as we head into half term.**

### **MONSTER PHONICS BOOKS**

Many of you will be hearing from us and your children about Monster Phonics - our new approach to providing your children with the foundations to become keen readers. We are keen to support your children's development by sending Monster Phonics books home so that they can be shared and enjoyed beyond the school gates. It is vital to our provision that our stock of Monster Phonics books is maintained as any gap in our stocks of books impacts upon the learning opportunities that we seek to provide.

With this in mind we'd ask that children and families take extra care of these books. Unfortunately should books be returned to us damaged and no longer able to be part of our stock **we will be asking parents to pay £5.00 towards the cost of replacement.** While we recognise that we would prefer to avoid such circumstances, we are keen to ensure that our Monster Phonics books stock is maintained enabling our provision to be the best it can.

Thank-you for your understanding around this. Do speak to your child's teacher should this lead you to have concerns in any way.

**before midnight on Tuesday 18<sup>th</sup> October.**

We look forward to supporting HCRG Care Group help you to keep your children fit and healthy over the winter months.

## COVID SELF ISOLATION

Anyone with a positive COVID-19 test result is advised to try to stay at home and avoid contact with other people for five days, which is when they are most infectious. **For children and young people aged 18 and under, the advice is to avoid contact with others for three days.**

When you make contact with school it's really helpful if you can tell the admin team when the positive test was taken. Your child's class teacher will make contact with you to discuss arrangements for remote learning. Thank you

## CELEBRATING SUCCESS – 'EVERY CHILD HAS COMFORT WITH WHO THEY ARE'

This week we are encouraging children to celebrate the way in which they engage with the school's Core Offer, particularly how they are connecting with those around them as part of our focus on 'New Beginnings'. Children will be spending time thinking about **Being me in My World**: Understanding my place in the class, school and global community.

They will also be thinking about the British Values of **The Rule of Law** 'I demonstrate an understanding of the value of rules, principles and laws as well as an understanding of responsibility and consequence'.

This week teachers will be paying special consideration to those children who demonstrate the following:

### **'I make an active contribution to the classroom community'**
