'.....commitment to ensuring that all pupils are afforded the best opportunity to achieve is at the centre of every decision.....' OFSTED July 2017

Chair of Governors: Robert Doets

SUMMER CONTINUES!

As the sun shines thanks to everyone who is sending their children into school equipped to stay safe in the sun. Hats and sunglasses are very welcome, as are children who have had sun cream applied before school – we've more sunshine to come so keep on it!

More event dates and updates to share with you – there is so much going on. We have had to change plans for the **summer discos which will now take place on Friday 22nd July** – children from Foundation Stage to Year 6 will be invited to join the fun – letters will be coming home about this soon. Change the date in your diary.

Ahead of our **summer fete which will take place from 1.45pm on Friday 8th July** we will be have a **non-uniform day on Tuesday 5th July**. Children (and parents if you want!) are invited to wear as many colours of the rainbow as they can find in their drawers. In return we'd ask for everyone to bring in a coloured contribution for our rainbow-themed tombola at the Summer Fete. Any contributions that are colourful in any way will help us to create a tabletop of colourful prizes. Thanks in advance!

Sports Day needs to go in your diary if it's not in there already – **Wednesday 13th July will see separate sports day sessions for Foundation Stage, Key Stage 1 and Key Stage 2**. More details to follow very soon!

Finally, we have set a date for our **Year 6 Leavers' Assembly** which will take place from **5.00-6.30pm on Thursday 21st July**. Mr Hankin and the children from Year 6 will be in touch about this very soon – parents and families of Year 6 parents, make sure that goes in your diary.

With so much going on it's hard to keep up! We'll provide a full rundown of important dates on next week's newsletter so that you can make sure that you have them all. We're looking forward to sharing the last weeks of the summer term together!

START OF THE SCHOOL DAY IS 8.50am

Please can we remind parents / carers that the start of the school day is **8.50am**, any child arriving after this time is marked as LATE. The school gates close at 8.50am, children arriving after this time are recorded as late.

Parents can bring children to school between **8.35am** and **8.50am** as part of our flexible start to the day, this enables children to get settled into their classroom, reconnect with their friends and feel ready for the day.

When children arrive late for school it causes them discomfort, as the day has already started and they are aware that they haven't had the opportunities which benefit them in having a good start to the day. Your efforts in getting your children into school on time are very much appreciated – thank-you.

YEAR 3 TRIP TO STOVER

Ooh the excitement was palpable last week as the Year 3 children readied themselves for their visit to Stover. They all engaged in thinking about the trip in advance to support the safe planning of the trip. On the day they were ready, had what they needed and demonstrated a great attitude. They were a real credit to the school. Well done.

THANK YOU FINLEY!

Year 3 and 4 would like to thank Finley and his parents for kindly donating plants for their outside gardening project. These have been planted by a team of green-fingered, enthusiasts from the class. The outside area is really taking shape and the children have noticed summer visitors booking into their Bug Hotel. They are looking forward to seeing how this area develops over the coming months.

LOST PROPERTY

There is a lot of lost property in the buckets in the HUB, we'd encourage you and your child to take a look to see if you can spot any items you may be missing! We'll also be putting the lost property out into the Courtyard for parents to view. Sadly any unclaimed items will be recycled at the end of term.

GREAT PHONICS LEARNING FOUNDATION STAGE!

Mrs Galling was delighted to be invited to take part in a Monster Phonics session with Foundation Stage last week. Rowan, Oscar and Lola were each practising their writing of words they had read in their book, listening for each of the sounds (phonemes) and writing the correct letters (graphemes). The concentration they demonstrated was astounding and their enthusiasm infectious. Miss Butler shared they are a joy to spend time with!

SUNGLASSES AND SUNHATS

With the welcome arrival of the sunshine it has been great to see so many children wearing sunhats in schools, keeping the sun off from the children's faces and heads during the hottest periods of the school day really does support their sun safety. Some children are also choosing to wear sunglasses, which again supports their sun awareness. Please feel comfortable in sending your children into school with sun hats and sunglasses. Thank you.

SCOOTERS, BIKES AND TRIKES

Seeing children arrive on their chosen transport each day is one of the delights of being on the courtyard. Children take great pleasure from riding their bikes, trikes and scooters to school. What we rely on is children managing this in a way which best supports the other children and parents accessing the school site, simple measures really supports everyone's safety. With this in mind we ask that 'transport users' think about the following:

- 1) Pushing your bike, trike or scooter across the courtyard;
- 2) Ride your bike, trike or scooter down the drive at an appropriate speed;
- 3) Think about whether you can stop your bike, trike or scooter suddenly if needed;
- 4) Have you parked your bike, trike or scooter in a way which enables other people to park theirs?

CELEBRATING SUCCESS

This week we are encouraging children to connect with those around them as part of our focus on 'Changing Me'. Children will be spending time thinking about **Individual Liberty**, understanding the principle of individual liberty and personal freedom, engaging responsibly with choice knowing that this can play an important role in their safety and well being and the safety and well being of those around them. This week teachers will be paying special consideration to those children who demonstrate the following:

'I demonstrate confidence as a learner'

- Mrs Galling has nominated: Leon Fox
- Mr Hampton has nominated: Kieran Pike
- Miss Butler has nominated: Lola Pickford and Rowan Cole
- Mrs Penn has nominated: Noah Tranckle and Scarlett Grant
- Mr Franklin has nominated: Doc Storer
- Miss Cameron has nominated: Raya Small
- Mrs Brown has nominated: Kayden Grant
- Mrs Cousins has nominated: Zach Matheson
- Miss Manley has nominated: Elijah Sims
- Mr Hankin has nominated: Precious Pike and Evelyn Paton
- Mrs Russell has nominated: Amelia Cox and Alfred Gidley

ATTENDANCE

Please find below the attendance information for each class last week, great effort. Well done!
