WE'RE HURLING THROUGH THE SUMMER TERM!

As always at this time of year, the sun is shining, children are smiling and practitioners are planning for the children's transition for September 2021. There never seems to be enough hours in the day!

Our Time to Think trips have continued this week, and have been so well supported by everyone. Children have been dressed ready for the changeable weather this week and it's been great to have so many parents and relatives along. We've been really lucky with the weather, with every class being able to see their plans for the visit through.

Over the next few weeks, letters will be coming out via the GATEWAY regarding arrangements, this will include information regarding an opportunity to meet with your child's current Learning Leader on Thursday 8th July, our non-pupil day. This will provide a great opportunity to bring you up to date with plans and next steps.

As always please be confident in sharing with us any questions you have, successes or challenges you are experiencing – we will always try to make any approach you make to us worth your while. You know how to get in touch:

- School Gateway;
- School email address admin@haytorview.devon.sch.uk;
- Speaking with school staff via telephone 01626 203040.

KEEP GOING SOPHIA!

Some of you may have noticed that we have made special arrangements for Sophia Cole, in Year 3, to ride her bike to school this month. That's because Sophia has set herself the challenge of **cycling 100 miles in June** to raise money for a charity called **Renewable World!**

If you are interested in learning more about Sophia's chosen charity, Renewable World, or would like to support her please visit <https://renewable-world.enthuse.com/pf/sophia>

Well done Sophia – let's look forward to a time when we'll all be able to ride our bikes and scooters to school again!

HYDRATION TIPS FOR CHILDREN WHO DON'T LIKE WATER!

Water is the best choice to keep your kids hydrated throughout the day. Water contains no extra energy and can quench your thirst. Other fluids such as milk, juice and sweetened drinks can also contribute to your child's fluid intake.

- Try adding slices of fruits such as lemon or orange to water, for variety and flavour.
- Let your children choose their own drink bottle or serve water in colourful glasses or jugs.
- Be a role model! Make a point of drinking water with your kids.
- Experiment with temperature; try having a jug of water in the fridge, adding ice-cubes, or even warm water in winter.

CELEBRATING SUCCESS – 'EVERY CHILD HAS COMFORT WITH WHO THEY ARE'

This week we are encouraging children to celebrate the way in which they engage with the school's Core Offer, particularly how they are connecting with those around them as part of our focus on 'good to be me'. We will be celebrating achievements in Bubble Celebration Assemblies throughout Friday morning. We look forward to a time when parents can join us again for these get-togethers.

'I think about what I do and say, knowing that it effects not just me but others around me as well'
