THANK YOU

As the Term draws to a close, we wish to extend our thanks for all of your continued support. As a Community Primary School, we recognise the role that every member of our community plays in ensuring the school is a positive and happy place to be for all of our young people. It is an absolute privilege to see the smiles on faces of parents, carers and children during celebration assemblies, church services, music festivals, bake sales...the list goes on. We wish you a happy and healthy Easter Break and hope this wonderful weather continues.

Easter HAF Programme

The HAF (Holiday Activities and Food) programme offers free school holiday sports sessions, healthy food, and enriching activities for children, reception to year 6 all day long. This year, the Easter HAF programme will run from Monday 14th April – Thursday 17th April. **If you receive Free School Meals, your child can attend free of charge.**

To book your child's place, follow this link and enter your HAF code: <https://eequ.org/book/premier-education-haf-holiday-club-with-premier-education-14342>

If your child receives Free School Meals and you would like support to find out your HAF code, please speak with a member of the office team.

CELEBRATING SUCCESS – 'COLLABORATING WITH OTHERS'

This week we are encouraging children to celebrate the way in which they engage with the school's Core Offer, particularly how they are connecting with those around them as part of our focus upon **'Going for Goals'**. Children are currently spending time thinking about and developing an understanding of their aspirations for themselves and the world and working together.

This sits firmly within the **British Values** of understanding of the value of mutual respect as well as an understanding of responsibility.

In our end of term assembly on **Friday 4th April**, each teacher will share **acts of kindness** they have witnessed and experienced within their classes and our school community, linking with our focus **on making an active contribution to the classroom community**.

We will also be celebrating attendance across the school. Thank you for your support as always and please join us in our childrens' celebrations.

All parents, relatives and wider community members are encouraged to join us for this weekly celebration – it's a great way to round off the Term, whether you are connected to nominated children or not. We look forward to seeing you.
