WELCOME BACK!

Thanks to you all for bringing your children back to us so prepared and ready for the last half term of the school year. We hope that you were able to enjoy the half term break, and the fine weather that we had over the weekend in particular. A reminder that given the time of year, it will be important to keep an eye on the weather and make sure that your child is equipped to stay protected upon the sunnier days. A hat, water and suncream will be critical in keeping your child safe, so please provided these for your child where appropriate. Should you have any particular concerns about your child's exposure to the sun please feel free to speak to their class teacher either in person or by requesting a telephone call from them. We're keen to make sure that your children are safe.

By way of keeping you updated with your child's progress we will shortly be issuing reports for children in Years 1-6, closely followed by those for children from the Foundation Stage. This half term we will be offering meetings with teachers on two 'formal' parent evenings on **Tuesday 25th and Thursday 27th June**. You'll receive information about these as you receive your child's report but they may be worth noting in your diary now. Should these days be inconvenient then of course get in touch as your child's teacher would be happy to make arrangements to meet you at another convenient time.

Now, bring on summer!

MENTAL HEALTH SUPPORT TEAM VISIT HAYTOR VIEW

Next week, on Wednesday 12th June, the Mental Health Support Team will be visiting Haytor View.

During their visit, they will meet with children across the school to gather their voice on the current support in place for their Mental Health and Wellbeing. They will also be delivering a session to our Year 5 children to improve their understanding of Mental Health and how to manage their own wellbeing.

At 3:00 on Wednesday 12th June, the Mental Health Support Team will be in the Courtyard seeking to gather your parent views on Mental Health and Wellbeing support for your children. They will have information about their services available, be open to answering any questions you have and will encourage you to complete a short questionnaire.

Hello Haytor View!

Mental Health Support Team

Who are we?

We are part of the Mental Health Support Team. We work for the NHS, in a service called Child and Family Health Devon.

What do we do and why are we in your school?

We support young people experiencing mild to moderate mental health difficulties including low mood, anxiety and phobias.

We work 1 to 1 with young people for 6 to 8 weeks, providing them with coping strategies and tools to feel better.

We also work with the whole school, running workshops and assemblies for pupils, staff and parents and carers to better everyone's understanding of mental health.

RELATIONSHIPS WITH HAYTOR VIEW

Back in May we shared that long-term partners of Haytor View, Matt Jones and Catherine Dunnett will be joining us on Thursday 13th June to talk to children about the relationships that they have with adults in school and how these shape their daily experiences.

You may remember that they would also be keen to hear your thoughts, as parents and carers, about your relationship with us, or how you see this as part of your child's experience here.

As we seek to recognise what's working and consider developments, we would be really keen for you to share any of your thoughts around this and with that in mind Matt and Catherine will be on the courtyard at drop-off time on **Thursday 13th June - please grab them and briefly share any of your experiences and feelings.** If you'd like some 'proper' time to talk to them about this, just let the office know and we'll make the necessary arrangements for you to meet with them or speak to them on the phone.

FOODBANK SUPPORT

Please feel comfortable speaking with a member of our office team to request a referral to THAT Foodbank, via Miss Shopland.

The only information we require is your address and the number of people living with you e.g. 2 adults and 3 children. T.H.A.T Foodbank accept all requests on a 'no questions asked' basis and generally ensure your request is prepared the day after, ready for you to collect from them between 10 am and 1pm Monday to Friday.

CELEBRATING SUCCESS – 'GOOD TO BE ME'

This week we are encouraging children to celebrate the way in which they engage with the school's Core Offer, particularly how they respect their selves and those around them as part of our focus upon 'collaborating with others in all contexts' and 'seeing their selves as learners'. Children are currently spending time thinking about what 'being healthy' means in terms of their education, self-esteem and confidence as well as healthy lifestyle choices.

This sits firmly within the British values of understanding of the value of democracy, respect, tolerance of others and an understanding of individual liberty - the right to believe, act and express oneself freely.

The following children will be **celebrated in assembly on Friday 7th June** with a focus upon:

'I demonstrate independence as a learner.'

- Mr Hampton has nominated Lily Young
- Miss Butler has nominated Imani Clifford
- Mrs Penn has nominated Ava Brailey and Keagan Johnson
- Miss Jacob has nominated Kacey-Mae Donald
- Miss Hall has nominated Hope Ferris
- Mr Franklin has nominated Reece Fox
- Miss Cameron has nominated Finley Head
- Mrs Russell has nominated Ryland Vaughan and Lola Bush
- Mrs Cousins has nominated Logan West
- Mrs Brown has nominated Taylor Harry
- Miss Shopland has nominated Oscar Waddell
