THE SUN ARRIVED!

Well the sun arrived just in time for half term and we hope you and your children had a jolly good bank holiday and half term week.

Summer is always a lovely time at Haytor View, as the children make use of the field. Opportunities were in short supply last half term, so we will be keen to make up for it over the coming weeks! We have popped a sun safety reminder on the newsletter this week, and remind all parents that we are happy for children to bring sun cream into school for their own application and use over the summer months.

As well as making good use of the field, we will also be making good use of the opportunities for teachers to start looking towards the Non-Pupil Day on Thursday 8th July, as we make preparations to host parent meetings. Wow – this feels great, as Haytor View without parents popping in has been a shadow of its former self this year. You'll be hearing from us with details of this in due course.

We are also looking forward to our Time to Think trips which will take place for every class beginning next week. Parents are very welcome to join us on these mornings out so please get in touch with your child's teacher if you wish to come along but haven't booked yourself a place. We can't wait to step outside the school gates once again and being able to do this with children and parents is particularly special.

We have already started to think about September 2021, as we do like to be organised at Haytor View. We will be planning a range of opportunities that will support children in managing the transition to a new class. We are just starting to consider how these will best be managed within our current risk assessment arrangements. Again over forthcoming weeks we will be in touch regarding next steps.

As Summer really gets into full swing, we continue to be grateful for the support that you have provided us, and each other, during what has been a very challenging year. We hope that the sunshine will bring with it what we hope will be a more settled time as we approach the end of the school year.

As always, please be confident in sharing with us any questions you have, successes or challenges you are experiencing – we will always try to make any approach you make to us worth your while. You know how to get in touch:

- School Gateway;
- School email address admin@haytorview.devon.sch.uk;
- Speaking with school staff via telephone 01626 203040.

SUN SAFETY

- Stay in the shade. Shade, especially when you have a small child, is your friend.
- Be extra strict under six months. Babies' skin is much more sensitive than adult skin.
- Cover up. Dress your children in loose cotton clothes like oversized T-shirts with sleeves.
- Watch their neck and shoulders.
- Slap on the sunscreen.
- Feel free to provide your children with sunscreen in their school bag so that they can apply this themselves during the course of the school day.

DIARY DATES

NON-PUPIL DAY - THURSDAY 8TH JULY

LAST DAY OF TERM - FRIDAY 23RD JULY

FIRST DAY OF AUTUMN TERM - TUESDAY 7TH SEPTEMBER

PARENT OPPORTUNITY

Communication and Interaction Team

Social, Emotional and Mental Health Team

A free, informal workshop for parents and carers to consider the links between behaviour and speech, language and communication needs. This event will be held virtually on Tuesday 15th June 2021, 10am – 12pm

Does your child have difficulty with:

- Listening?
- Attention?
- Communication?
- Friendships?
- Literacy?

The session will aim to raise awareness of speech, language and communication needs (SLCN) and consider the impact on a child's social, emotional and mental health (SEMH). SLCN can become apparent through a child's behaviour in a variety of ways and we shall provide further insight into these complex links.

The session provides an opportunity to share ideas about what works for you and a chance to discuss and learn from other parents/carers.

There will also be an opportunity for questions to the Advisory Teachers and Family Worker from the Communication and Interaction Team and the Social, Emotional and Mental Health team.

Please get in touch with our office team in one of the usual ways if you would like a place at this event.

CELEBRATING SUCCESS – 'EVERY CHILD HAS COMFORT WITH WHO THEY ARE'

This week we are encouraging children to celebrate the way in which they engage with the school's Core Offer, particularly how they are connecting with those around them as part of our focus on 'good to be me'. We will be celebrating achievements in Bubble Celebration Assemblies throughout Friday morning. We look forward to a time when parents can join us again for these get-togethers.
