

*Learning together - enjoying success - aiming high -  
celebrating difference - enriching community*

**Be  
Internet  
Legends.**

Dear Parents/Carers,

### Be Internet Legends – Keeping Children Safe Online

As part of our ongoing computing curriculum, children in Years 3 – 6 are being supported in becoming safe and confident online through engagement with 'Be Internet Legends'; - a programme led by Google and Parent Zone.

We are excited that for the first time at Haytor View, children in these year groups will next week be engaging in a remote assembly, from their classroom, which will be led by members of the 'Be Internet Legends' team.

This special assembly will take place on **Wednesday 30<sup>th</sup> March at 11.00am** and the big news is that you can join the event too from the comfort of your own homes. This will provide a great insight into messages being shared with children around internet safety, messages that you can use or remind children of when discussing their online lives at home.

The YouTube link for the assembly is: <https://youtu.be/xPf4dHfUEnw>. All you need to do is head there at 11.00am next Wednesday – we'll see you there!

Yours sincerely

Sue Brown

Year 3 Learning Leader
