

*Learning together - enjoying success - aiming high –  
celebrating difference – enriching community*

Wednesday 17<sup>th</sup> September 2025

Dear Parents and Carers,

We would like to invite you to a **Class Parent Evening** for year 3 on Tuesday 30<sup>th</sup> September 2025 at 3:20pm.

The purpose of this meeting is to share important information about the year ahead and to strengthen the partnership between home and school. During the session, we will:

- Outline the key areas of learning your child will be engaging in this year.
- Explain expectations for reading and home learning, including how you can support these routines at home.
- Provide guidance on how parents can help children develop good learning habits, resilience, and independence.
- Share information about clubs and enrichment opportunities that are available.

We know that children achieve their best when home and school work closely together. This evening is a chance to explore practical ways you can support your child's progress, from establishing regular reading routines and encouraging curiosity, to helping with organisation and celebrating successes along the way.

There will also be an opportunity for you to ask questions, so that you feel confident in how to support your child throughout the year.

We very much look forward to welcoming you.

Kind regards,

Miss Cameron
