celebrating difference – enriching community*

11th June 2024

Dear Parents/ Carers,

Appointment of Deputy Head Teacher

Following a placement discussion shortly before the half term break we are pleased to share with you that Sarah Butler has been appointed as the Deputy Head Teacher of Haytor View Community Primary School.

Those of you whose children began their school life at Haytor View will know Miss Butler well, and I know that everyone will want to join us in sharing our congratulations and best wishes with her in her new position.

Be assured that Miss Butler will continue in the roles which you are familiar with, including leading provision in the Foundation Stage and Year 1, as well as supporting Mr Hampton and the rest of the school team in the day-to-day running of the school and it's ongoing development.

As a governing board we feel pleased and proud to have been able to appoint someone with such calibre, experience and connection with the school community.

Yours sincerely,

Robert Doets
Chair of Governing Board
