

Haytor View Community Primary School — Core Offer Statement

What will key outcomes see children doing, feeling, experiencing ?

What will you see them doing? What will they and their learning leader talk to you about?

Each child sees themselves as a learner

Thinking about learning

Asking purposeful questions

Children satisfying their own needs and wishes

Open minded – having an ‘I can’t yet’ attitude

Wanting to find out

Taking risks

Being comfortable when things don’t go as planned

Enjoying a range of opportunities

Knowing what learning feels like

Developing resilience

Highlighting when learning has happened

Understanding the learning process

Being happy to make mistakes, to be challenged

Seeing their success and what more they can do

Trying new things

Describing their learning and how it happens

Talking about how did that feel? Why?

Sharing that they have been a good learner

Confident with their role in the class

Engaging minds in children’s personal change journey

Developing independence as a learner

Being Pro active/ Self motivating

Self regulating – defining their own learning

Observing their own learning trail

Owning their ideas

Posing questions and proposals

Leading learning, organising

Showing, knowing that they have unlimited potential

Recognising the difference between a task and its learning

Knowing the teacher does not have all the answers

Reflecting
