Remote learning - Geography

Where in the world are these rivers?

Have a go at some research, see if you can find the answers?
Can you find an amazing fact to amaze me?

An Amazing Fact a Day!

Rivers of the World

Saudi Arabia has no permanent rivers.

Use the Internet or non-fiction books to complete the table below:

	Country of Origin	Length	Flows into
Ganges			
Nile			
Amazon			
Thames			
Danube			
Orinoco			
Niger			
Missouri			
Jordan			
Seine			
Mississippi			
Tay			

You could also try to find out:

- why this is;
- about London's underground rivers;
- about river swimmer Martin Strel;
- which country has the most rivers.
