Grammar Remote Learning  
(Interesting Sentences)

Think back to yesterday's learning. I would like you to choose three sentences, from any challenge, to improve and make more interesting. You can make up your own sentences if you want.

e.g.

**The mouse ate the cheese.**

1. *Add words in:* The greedy mouse carefully ate the stale cheese.
2. *Add on at the end:* The mouse ate the cheese because it was hungry.
3. *Add on at the beginning:* While it was waiting, the mouse ate the cheese.
4. *Change words:* The rodent gnawed the cheddar.
5. *Add in a simile:* The mouse, like a tiny vampire, sank its teeth into the cheese.
6. *Alliterate:* The mincing mouse marvelled at the mouldy cheese cheerfully.
