Year 5/6 Home Learning Clubs Invitation

Dear Parent/Carer,

Following on from the fantastic start to the new year that all of our children have made, they have decided they would like to get back into the routine of attending home learning club as soon as possible. In order to give everyone time to get relevant authorisation back to us, we would like to begin in the first week back after half term, that's **Thursday 2nd November**.

Home learning clubs have always been very well attended because they offer children the chance to really focus on home learning activities in small groups. Children work together with their friends to achieve current learning challenges set by their teacher and if they find something too tricky, they have help at hand.

Your child has expressed an interest in joining their home learning club so I am writing to invite them along. Their club takes place each Thursday straight after school until 4.15pm in their own classroom. If you are willing to allow them to take part, please complete the attached reply slip and return it to their class teacher, Miss Manley or me, stating the way in which you would wish for them to get home afterwards. If you wish to collect them, you should be on the courtyard by 4.15pm. Thanks for your continued support.

Yours sincerely,

Graeme Hankin
Key Stage Two Phase Leader
