

Haytor View Community Primary School & Nursery Home School Agreement

*Learning together - enjoying success - aiming high – celebrating difference –
enriching community*

We recognise that the education of each child is a very special journey shared between the child, the parents, the adults in the school and all the other learners. We each have a role to play and we value the involvement of everyone.

This agreement is our shared commitment towards each child experiencing success.

Our Core Offer:

With class teachers at the heart of opportunities, tailored to need and responsive to individuals' context, we will support the personalised development of children through provision characterised by opportunities for children to develop their independence.

At the heart of our provision sits our Core Offer, this can be further explored on our website:

- Children will collaborate with others in all contexts;
- Each child sees themselves as a learner;
- Every child has comfort with who they are;
- Parents enjoy and share in their children's lives;
