

*Learning together - enjoying success - aiming high –
celebrating difference – enriching community*

Thursday 12th October 2023

Dear Parent/Carer,

KS2 Computing Club Invitation

I am pleased to be offering the opportunity for children to attend a Computing Club. This will take place on Mondays in the year 4 classroom. The club will run at 3:15 until 4:15. The first session will be **Monday 30th October**.

Children will have the opportunity to explore coding, animation and extend their computing skills. The aim is for children to enjoy free time using laptops whilst creating games, animated cartoons and challenges for their friends to complete. Children do not need to have any prior knowledge of computing to attend.

There are places for 30 children – these will be re-allocated on a termly basis so in the event of more than 30 children expressing an interest, opportunities to join the club will exist in future terms.

If your child is keen to take part, please complete the reply slip that they will be bringing home today and return it to their class teacher, stating the way you would wish for them to get home afterwards. If you wish to collect them, you should be on the courtyard by 4.15pm.

Yours sincerely,

Sue Brown

Year 4 Learning Leader
