Dear Parent/Carer,

Kensuke's Kingdom – Wednesday 5th March

On Thursday 14th March we have our second visit of the year from West End Schools. The children will be performing a dance to the story of Kensuke's Kingdom written by Michael Morpurgo. In anticipation of the visit, we would like to have a Year 3 and 4 film afternoon watching the 2023 animated film. As our classes will be taking part in a dance workshop about the book, it is important the children know the story.

We are writing to let you know of our intentions as the film is a PG. It contains very mild language – use of the word 'bloody' twice and some scenes of threat including being shipwrecked, warfare and hunting. However, having watched this ourselves, we feel it is appropriate and a comfortable watch for children in Years 3 and 4.

If you have any concerns around your child being shown this film, or have any questions about the film itself, then please don't hesitate to speak to us.

Yours sincerely,
