

LI: To investigate science vocabulary before the next science unit.

Draw or insert a picture	Vocabulary Word	Meaning / Definition
	Movement	
	Muscle	
	Bone	
	Skull	

	<i>Skeleton</i>	
	<i>Nutrition</i>	

*If you cannot print, please do not worry as you can do this online too. Instead of drawing a picture you can insert a picture into the box using copy and paste instead and you can type the meaning into the appropriate box next to the word.*
