2nd May 2024

Dear Parents & Carers

Closure of Little Monstarz Nursery, Newton Abbot

Sadly we have today learned of the imminent closure of Little Monstarz Nursery which is based next to St. Luke's Church, Milber. It is always sad to see a reduction in any local provision for children or young people, and we send all of those with links to the nursery our sympathy and best wishes.

We recognise that changes such as these, particularly when decisions are made at short notice, can really impact upon the lives of families and young children.

With this in mind, if you are aware of anyone who is being impacted by the loss of nursery provision for their child, feel free to point them in our direction. Whether families are looking for a stop-gap or a longer-term arrangement we would be keen to support by offering places in our own provision.

Our nursery is open daily during term time from 8.30am – 3.20pm and up to 30 hours free childcare is available each week for those with the necessary entitlement. We'd encourage anyone experiencing difficulties as a result of this closure to get in touch – pop in or call us on 01626 203040 and speak to our Foundation Stage Leader Sarah Butler, or Business Manager Jan Brown.

Yours sincerely,

Scott Hampton
Head Teacher
