

*Learning together - enjoying success - aiming high –
celebrating difference – enriching community*

13th September 2021

Dear Parents/Carers,

**Relaxation of COVID-related practices/restrictions in school
What are your priorities?**

As we begin our second week of term, our minds are already turning towards how we see the school moving forward in relaxing things that we do, or don't do, to support our safety in relation to COVID-19.

We do not plan to review matters fully for a few weeks yet and any relaxation would of course be based upon the broad landscape of infection in Devon following the return of children to school being stable and moving positively. We would however welcome your help with the plans that we make and where the priorities lie.

With this in mind we are speaking to children, and seeking the views of parents in relation to the question:-

**What would be the first changes that you'd like to see when we are in
a position to relax restrictions in relation to COVID?**

While we cannot promise to meet everyone's priority first it would be useful to have a flavour of where these might lie for parents. Alongside this letter I will be talking to children in assemblies over the coming weeks about where their priorities lie as we seek to develop a safe 'normal' moving forward.

Please let us know your priorities by speaking to your child's teacher or any member of the school team, sending us an email to admin@haytorview.devon.sch.uk, dropping us a line via School Gateway or giving us a call on 01626 203040.

We look forward to hearing your thoughts and look forward to talking to you more about positive steps forward over the coming weeks and months.

Yours sincerely

Scott Hampton
Co – Head Teacher
