The governing board ensures that our school provides the best possible education and makes the school even better for children, staff and our whole school community. Our governors are valued and key members of our school team.

You don't have to be a parent to apply to be a governor, our school is looking for skilled volunteers from all backgrounds. You can make a real difference to our school community by becoming a governor!

For further information about the role and to find out how to apply, please contact the school office at admin@haytorview.devon.sch.uk or call the school office on 01626 203040

We look forward to hearing from you!
