

21st June 2022

Dear Parents and Carers,

School Photos – Monday 27th June

We are pleased to share that school photos will be taking place in school on Monday 27th June. We plan for all children to have individual photos taken during the course of the morning, with those children attending the Foundation Stage in the afternoon only having their picture taken after their arrival.

For those of you familiar with school photos at Haytor View, you will know that we are always keen to support family or group photos being taken. If you would like to have a family photo taken with siblings who do not attend Haytor View we are inviting you to come to the school hub from 8.00 am to have your group photo taken on a first come, first served basis. We may have a number of families having photographs taken so please bear with us during this time.

We would also like to offer the opportunity for siblings in school to have their pictures taken together. We will manage these in school during the morning and therefore you **do not** need to bring children in earlier if they attend Haytor View. However you will need to let us know by Friday please if you wish for an in school sibling photo to be taken.

Should you wish us to arrange for photos to be taken of siblings and/or family photos it is essential that you contact us to let us know by Friday 24th June. Get in touch with us via School Gateway or by telephone and we will make sure that your request is added to the list.

Class photos will also be taken during the afternoon on Monday. Proof cards of your child/ren's photos will be sent to you the following week with details of how to place your order and make payment online.

We look forward to a memorable day, and the opportunity for you to have school photos to share with families and loved ones by the end of term.

Yours sincerely

Scott Hampton
Co-Head Teacher
