

21.10.20.

Dear Parents and Carers,

School Photos – Thursday 5<sup>th</sup> November

We are pleased to share that school photos will be taking place in school on Thursday 5<sup>th</sup> November. We plan for all children to have individual photos taken during the course of the morning, with those children attending the Foundation Stage in the afternoon only having their picture taken after their arrival.

For those of you familiar with school photos at Haytor View, you will know that we are always keen to support family or group photos being taken. With current restrictions in place due to COVID-19 we are unable to manage this as we have done in the past.

We would however like to offer the opportunity for siblings in school to have their pictures taken together. Unfortunately on this occasion we cannot offer photos including children who don't attend Haytor View, or any photos of children from different households.

**Should you wish us to arrange for photos to be taken of siblings it is essential that you contact us to let us know by Wednesday 4<sup>th</sup> November. Get in touch with us via School Gateway, email or by telephone and we will make sure that your request is added to the list.**

As you would imagine, this is the first time that we have had to operate under these constraints and as such we will seek to get as many group photos completed as possible. These will take longer than usual as we will need to ensure that we avoid gatherings of children from across bubbles, and chairs etc. will need to be wiped between each sitting. We know that you'll understand that on this occasion we cannot promise that all requested photos will be taken, however be assured that we will do our best and we will seek to arrange them on the basis of a first requested, first served basis.

We look forward to a memorable day, and ensuring that you have school photos to share with families and loved ones over the Xmas period.

Yours sincerely

Katy Galling  
Head of Learning and Development
