Learning together - enjoying success - aiming high - celebrating difference –
enriching community

Autumn Half Term 1 – Foundation Stage 1 (Nursery) Sherbourne Sessions – based in School Hall

Our F1 hall-based sessions are starting the week beginning 22nd September – next week!
They will run on both Tuesday and Thursday mornings from 9.00 – 10.30am.

We are limiting the groups to 8 pairs of children and adults to ensure that safe social distancing measures can be followed. When you have signed up and have been allocated a session, please arrive at the school hub at 8.55am so that we can complete the necessary registration forms.

During our time together we will be meeting as a group and engaging in some structured Sherbourne activities . Following this the children will be encouraged to freely explore a wide range of physical equipment, balancing, jumping, climbing, painting, cutting as well as using playdough. Please come dressed wearing trousers or leggings so that you can move freely around the hall and on the floor.

Towards the end of the session will have a structured group snack time where children will be offered fruit and milk. We would ask that you bring a bottle of water for yourself and your child which you can access during the session.

What next?

Please contact the school on 01626 203040 to book your first Sherbourne session. Arrangements for subsequent weeks will be made at the end of your session.

I look forward to seeing you all soon.

Sarah Butler
Foundation Stage Leader
