

*Learning together - enjoying success - aiming high –
celebrating difference – enriching community*

Thursday, 24 November 2022.

Dear Parents/Carers

**Cross Phase experience- Space Odyssey Explorer Dome
on Wednesday 11th January 2023 in school.**

On Wednesday 11th January 2023, KS1 and KS2 are once again planning to provide the children across the school with "the breath takingly immersive and interactive learning experience" of the Space Odyssey explorer dome 360° 3D cinema. This experience is always incredibly well received and brings the curriculum to life and is becoming a regular part of this term's learning for each year group involved.

This enrichment experience is a costed activity and so we will need to cover the costs relating to this experience through voluntary payments from parents. The payment for each child is **£3.13**. This is a slight reduction on last year's cost. Should we fail to receive sufficient payment to cover the cost of the experience we will make arrangements to cancel the event and return any payments that have been made.

Payments should be paid and consent provided through the School Gateway. Payments will need to be made by **Friday 6th January** to ensure the event takes place.

If you have any questions or comments about this experience, please do not hesitate to contact your child's phase leader who will be happy to talk with you.

Best Wishes
