

Stars from afar

Hello again, everyone!

Today, Ching Ching was very excited, because he found out that we were going to make some special star shaped biscuits, as part of the 'Space' week at school. Ching Ching lived for a few years in Hong Kong with Mrs. Heap, and his name means 'shining star' in Chinese.

1. First of all, we washed our hands and paws, just like when we were making bread, scones, and apple crumble.

2. Then, we measured the following ingredients into a bowl:
8 tablespoons plain flour
5 tablespoons sugar
4 tablespoons butter

3. We mixed them all together into a dough with a spoon.
