

Dear Parents,

We are busy preparing for our 'Summer Fayre' on **Friday 18th July**.

As usual we will have stalls led by the Year 6 children, music, glitter tattoos, ice creams and popular games and stalls, fun for all ages. Professor Bumble will be attending with his ever popular circus equipment which everyone (all ages) can have a go at. Professor Bumble has been funded through your support of previous coffee and cake events.

We will be holding a **non-uniform day** on **Friday 18th July**

Please can your child come to school dressed in bright colours and bring in a donation of a summer toy or game as a contribution towards the tombola. Your donation can be any low cost item that will allow the children to have fun, items such as buckets/spades, sunglasses, bubbles, frizby etc **but no chocolate this time around please!**

We have recently purchased a portable karaoke machine for lunchtime play, which was funded by your generous donations to our coffee and cake events. This years Summer Fayre funds will be going towards **waterproof clothing for KS1 and 2** to enable Forest School adventures to be available across a wider range of year groups.

Please come and support us on **Friday 18th July from 2 pm**, the Summer fayre will be held on the playground and field at the back of the school. All children can be collected at 2 pm from their usual classroom doors please to join the fayre. **The fayre stalls will open at 2.00pm.**

Finally, if there are any parents who can help out on the day, please let us know.

Thank you for your support and we hope to see you at the Fayre.

Many thanks,

Coffee and Cake Fundraising Team, Haytor View Community Primary School
