

14th October 2020

Thank-you for the Harvest!

Unfortunately, due to current guidance in place we are unable to celebrate Harvest in our usual fashion at St. Lukes, or even together in the school hall. Be assured though that children will be focussing upon this important festival in classes, with Fr. Nick joining them via the internet where possible to lead thinking and prayers. Learning will be focussing upon 'Food Providers - Key Workers' so please talk to you children on this theme.

Typically we'd invite donations for THAT Foodbank at this time of year, and usually get an overwhelming response. Sadly we can't accept donations but perhaps we could invite you to put something small in the foodbank basket when you next visit the supermarket, or pop something into THAT on Queensway when you are next passing.

Thanks in advance for any contributions that you make.
