

*Learning together - enjoying success - aiming high –
celebrating difference – enriching community*

Friday 14th October 2022

Dear Parent/ Carer,

Year 3 Trip to Torquay Museum

Our topic this term is Prehistoric World. As part of our topic, in science, we are learning about different types of rocks, in art we are creating cave paintings and in history we are learning about life through the Stone Age, Iron Age and Bronze Age.

On Monday 14th November, we will be going on a year 3 trip to Torquay Museum to look around the museum and engage in a 'meet the ancestors' workshop run by the museum education team where we will *'Step back in time and discover how the earliest humans lived from over 800,000 years ago to the present. Learn about climate change and how it affected the people who lived here and come face to face with some of the animals that roamed the area, including mammoths and hyenas.'*

Our class will travel to and from Torquay Museum in school time by coach and will be accompanied by Mrs Cousins, Mrs Russell and Mrs Coleman. The children will need to bring a coat, a snack, a packed lunch and a drink (if your child receives a free school meal, a packed lunch will be provided).

For the trip to take place, we are seeking a payment of £12.00 per child, which will go towards covering the cost of the transport and workshop fee. Payments should be made via Parent Gateway. Unfortunately, if insufficient payments are made, the trip will need to be cancelled. In these circumstances refunds would of course be repaid to those parents who made payments.

Your child will today be bringing home a reply slip for you to complete in relation to this event.

Many thanks in advance,

Yours faithfully,

Michaela Cousins
Year 3 Learning Leader
