celebrating difference – enriching community*

Transition Newsletter Summer 2025

Moving On . . .

Transition is the experience children have when they move to a new setting, this might be a new school or a new class. Transition is an important learning experience as one of the many changes that occur in our children's lives. We recognise the importance of careful planning for children's transition experience.

Transition at Haytor View is focussed upon building strong and trusting relationships between children, adults and parents/carers, through effective communication, as well as supporting the consistent transfer of existing relationships and relevant information.

At Haytor View we support transition through a range of opportunities both across the year and as the children get closer to 'moving on'.

- Spending time in different spaces around the school;
- Meeting a range of school adults in day to day opportunities such as assembly;
- Having conversations and interactions with different children and adults;
- Having regular discussions throughout the year focused on children's well-being, learning and development;
- Teachers share with each other children's unique motivations, strengths, attitudes, skills, knowledge, understanding and learning dispositions, as they move classes;
- We think about the support each child requires

***"Strong relationships
feature throughout the
school."***

***"Pupils personal
development is at the
heart of Leaders' work."***

Ofsted 2023

An opportunity for parents/carers to 'drop in' and have a chat with your child's Learning Leader for next year - Weds 23rd July 3.30pm – 4.30pm.

In the transition process we ensure children have a voice, providing them with the opportunity to ask questions, seek explanations and express their views.

Children will spend time new classes for the first learning session of the day on Tuesday 22nd July.

You will know from previous letters that we are also hosting an after-school opportunity for you to catch up with your child's current teacher today **Wednesday 16th July and Thursday 17th July**

Whilst Mr Franklin is very much part of our teaching team, he is still on long term sick.

To create continuity after an unstable period for children due to staff illness across the spring and summer term, children across years 3, 4, 5 will be returning after the summer break to familiar teachers. Our aim is to ensure that your child has a smooth transition which will enable each child to continue their learning and development in a supported and uninterrupted way. Should you have any queries regarding transition please feel free to discuss them with your child's current or future teacher, or Miss Butler

Best wishes for a successful transition.

Miss Manley – Year 5 Learning Leader

Hello there! My name is Jess Manley and after a year downstairs in Year 4, I'll be returning upstairs to Year 5. This is my fifth year now at Haytor View; I cannot believe that five years has gone by already! I love supporting every pupil, especially when they have the 'click' in their learning, and I am so excited to be bringing my Year 4 class upstairs with me. I live in Newton Abbot with my parents as I'm still slowly saving to buy a house...one day! I have enjoyed being closer to my wider family, the moors and the sea and I love that there are still more new areas for me to go and explore. In my spare time, I am typically out bothering Mrs Brown and our group of friends- usually in the theatre or talking about the books we are reading at the moment. At home, I like looking after my plants and watching a good crime drama. This year, I am so excited for the children to experience the Dewerstone Cottage residential and the legendary Newton Abbot Lantern Parade.

Mrs Pavledis - Learning Partner

School Staff Structure 2025

Senior Leadership Team

- Acting Headteacher **Miss Butler**
- Acting Deputy Head **Mrs Cousins**
- SENCo **Miss Shopland**
- Senior Leader – **Mr Hankins**
