Transition Newsletter Summer 2025

Moving On . . .

Transition is the experience children have when they move to a new setting, this might be a new school or a new class. Transition is an important learning experience as one of the many changes that occur in our children's lives. We recognise the importance of careful planning for children's transition experience.

Transition at Haytor View is focussed upon building strong and trusting relationships between children, adults and parents/carers, through effective communication, as well as supporting the consistent transfer of existing relationships and relevant information.

At Haytor View we support transition through a range of opportunities both across the year and as the children get closer to 'moving on'.

- Spending time in different spaces around the school;
- Meeting a range of school adults in day to day opportunities such as assembly;
- Having conversations and interactions with different children and adults;
- Having regular discussions throughout the year focused on children's well-being, learning and development;
- Teachers share with each other children's unique motivations, strengths, attitudes, skills, knowledge, understanding and learning dispositions, as they move classes;
- We think about the support each child requires

*"Strong relationships

*"Pupils personal
development is at the
heart of Leaders' work."*

Ofsted 2023

An opportunity for parents/carers to 'drop in' and have a chat with your child's Learning Leader for next year - Weds 23rd July 3.30pm – 4.30pm.

In the transition process we ensure children have a voice, providing them with the opportunity to ask questions, seek explanations and express their views.

Children will spend time new classes for the first learning session of the day on Tuesday 22nd July.

You will know from previous letters that we are also hosting an after-school opportunity for you to catch up with your child's current teacher today **Wednesday 16th July and Thursday 17th July**

Whilst Mr Franklin is very much part of our teaching team, he is still on long term sick.

To create continuity after an unstable period for children due to staff illness across the spring and summer term, children across years 3, 4, 5 will be returning after the summer break to familiar teachers. Our aim is to ensure that your child has a smooth transition which will enable each child to continue their learning and development in a supported and uninterrupted way. Should you have any queries regarding transition please feel free to discuss them with your child's current or future teacher, or Miss Butler

Best wishes for a successful transition.

Mr Hankin – Year 6 Learning Leader

Hi there. My name is Graeme Hankin and I'm the Year 6 teacher at Haytor View. I have subject responsibility for Maths and Languages and love my subjects dearly, almost as much as my children. I'm a Dad to three girls: Megan (a 29-year-old lymphoma nurse in Southampton,) Milly (a 26-year-old district nurse in Bristol) and Mia (a 16-year-old keen on gymnastics & cricket.)

I'm a Newcastle United fan since what seems like forever, although the last time I went to a game coincided with when we started getting decent (just my luck.)

I live in Bovey Tracey with my partner Hayley and our Mia. Here I am on a walk with my friends, Wallace & Gromit.
