Writing Remote Learning

Follow these instructions:

1. Make your bed.
2. Get back into your bed for five minutes.
3. Make your bed again - this time think about how you are making it.
4. Get back into your bed for five minutes.
5. Make your bed again - think again, about how you are making it. You may want to say each step out allowed.

Imagine an Alien has landed in your room and fell asleep in your bed. You are annoyed because your freshly made bed is now a mess!

Write a list of instructions below, telling the Alien how to make your bed.
